

Go4Schools Login Guide

What is Go4Schools

Go 4 Schools is an online package that allows you to access your child’s academic achievement, attendance, behaviour and timetable information. Parents of students at Castle Manor Academy also have access to the Go4Schools app, available from the Google Play Store and Apple Store.

How to log-in to Go4Schools website

In order to log onto Go 4 Schools you first need to visit www.go4schools.com and click on the ‘Login’ icon in the top right-hand corner and select ‘Parents login’.

You will then be displayed the following screen:

Welcome!

This is the GO 4 Schools login page for Parents and Guardians

In order to login, you will need to use the email address that your child’s school holds for you.

If you don’t have a password yet, or have forgotten your password, you can request a password reset email using the [First-time User?](#) and [Forgotten your Password?](#) links.

If you are having problems logging on, please contact your child’s school.

GO 4 Schools Parent App

If your child’s school uses GO 4 Schools, they can add the GO 4 Schools mobile app to make it even easier for you to see your child’s timetable, homework, behaviour records, attendance, etc. What you will see depends on which GO 4 Schools modules your child’s school has subscribed to. View the [Mobile App - Quick Start Guide](#) for further details.

The GO 4 Schools Parent App is free for parents to download from the Apple and Android App stores, but you will not be able to log in unless your child’s school has a current GO 4 Schools subscription that includes the App, and they have granted you access. **Your child’s school will let you know if and when they have added the App to the school’s subscription.**

The App uses the same login details (email address and password) as this web site.

If you can’t log in to this site, you will not be able to log in to the App. If you think you should be able to log in to this website but can’t, please contact your child’s school.

If you do not have an active Go4Schools account with Castle Manor Academy. Select here and enter your email address that you provided the school.

Once entered select ‘New Password’ and a new password will be sent to your email address. Please check ‘Junk’ email boxes.

Once received follow the on-screen instructions.

Common log-in issues

Sign-up email not received: Check with the academy that your email address is entered correctly and up-to-date.

Forgotten password: Click on ‘Forgotten your Password’ and follow the on-screen instructions. Highlighted by the red square on ‘Parents’ webpage on Go4Schools.

Won’t allow access: Ensure you are on the ‘Parents’ web-page on Go4Schools and not the other log-in pages for staff, students and governors.

If you are facing any difficulties in logging on, please contact your child’s Achievement Leader through email with a description of the problem. Please include your email address that you are trying to gain access with.

Year 7 & 8: Mr Bonas - kbonas@castlemanor.org.uk
