

Dear Parents and Carers

We have started our new provision of learning this morning, with most students accessing learning online and a small group in school working with staff who are on a rota basis. Thank you to you all for everything that you are doing. It is a new different way of working for us all and we are adapting to it. There have been a few glitches, and we will find work arounds, but please get your child to email their teachers any problems.

If you have any problems with Go for Schools please contact Mr Course on DCourse@castlemanor.org.uk and if you have email problems please contact Mr Messal on IMessal@castlemanor.org.uk You can also call the main school switchboard on 01440 705501 where we will answer calls between 9am and 3pm.

Please do not send your child in to school for help with log ons, we are following very clear social distancing here at school and hygiene expectations to try to keep everyone safe and therefore want to minimise the number of 'contacts' each child and member of staff have to restrict the spread of coronavirus.

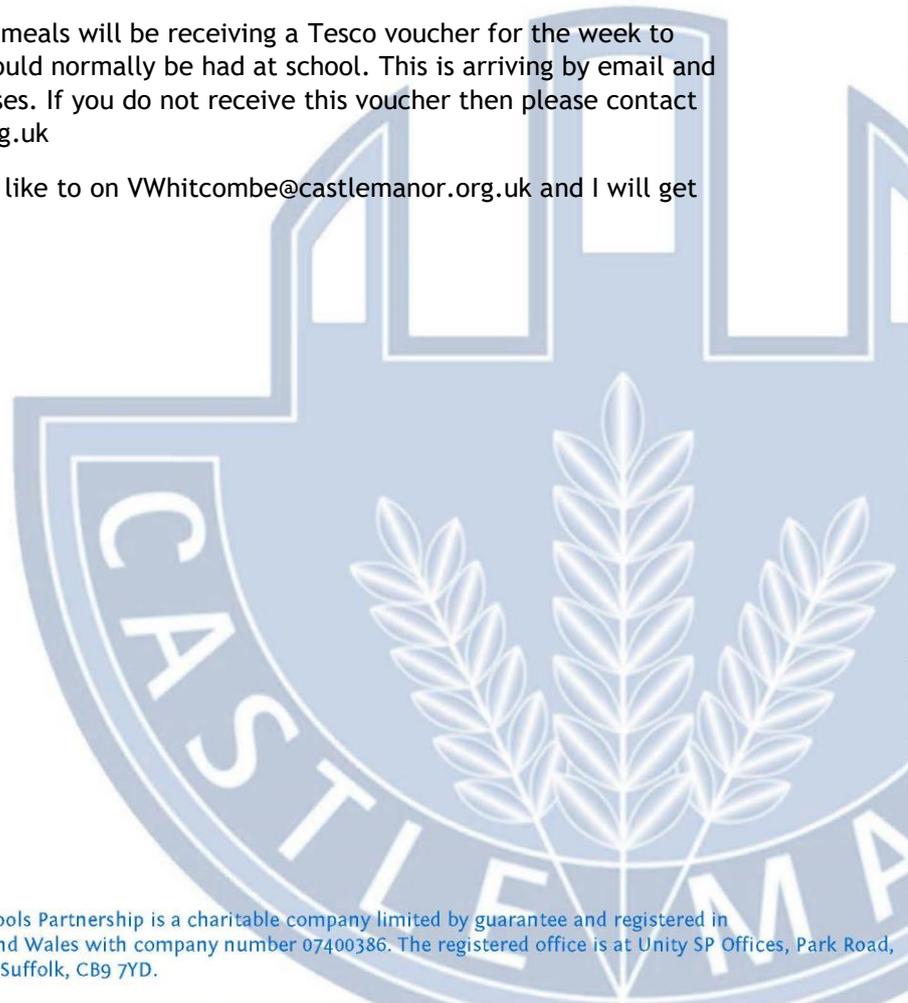

Social distancing is somewhat difficult for young people to understand but so vital. Please make sure your children are not meeting up with friends or hanging around in groups or indeed visiting each other's houses. This short video gives a really nice visual example and is worth watching and discussing with your children <https://www.youtube.com/watch?v=8Hi9-5F2zW4>

Families with children with free school meals will be receiving a Tesco voucher for the week to contribute towards those meals that would normally be had at school. This is arriving by email and we have worked to check email addresses. If you do not receive this voucher then please contact Mr Gosden on JGosden@castlemanor.org.uk

As ever please contact me if you would like to on VWhitcombe@castlemanor.org.uk and I will get back to you as soon as I can

Yours sincerely,

Vanessa Whitcombe
Headteacher
