

30th June 2021

Dear Parents and Carers,

It is noticeable that there are more COVID cases in our surrounding area, and although currently none in school, we need to make sure we are keeping as safe as possible.

Please can I emphasise how important lateral flow testing twice per week is and encourage everyone in the family to be doing this over the age of 11.

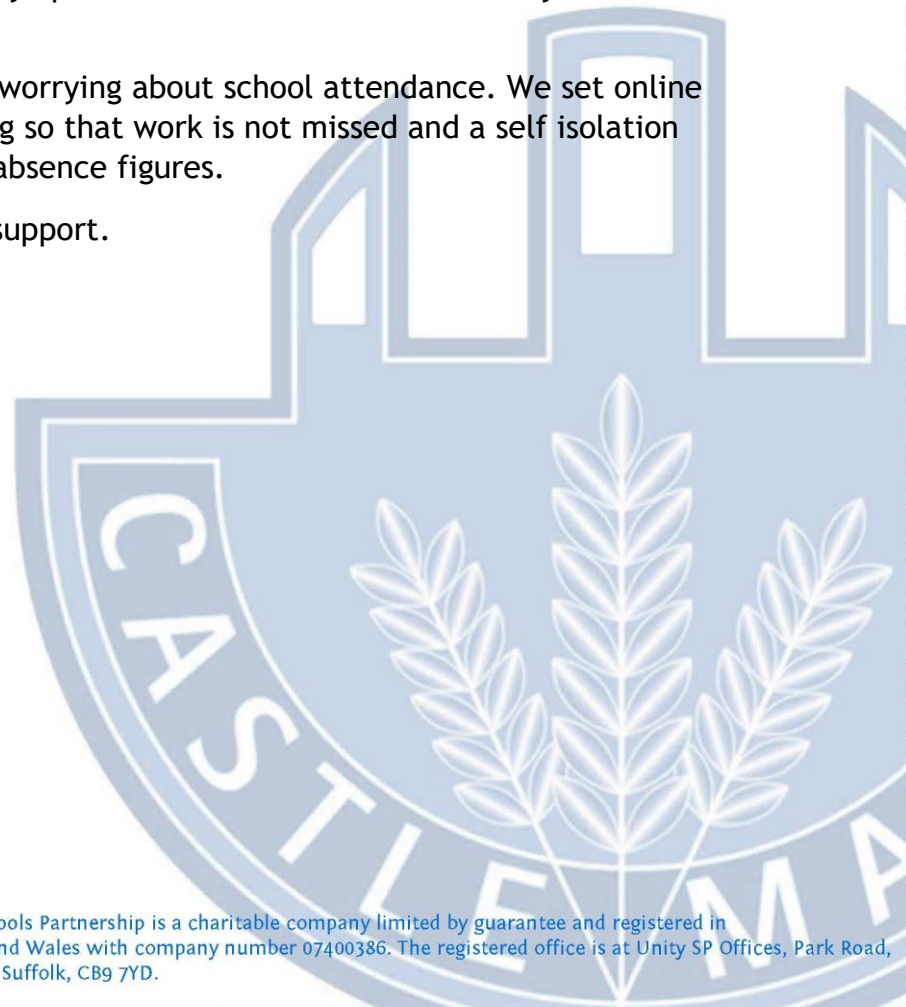

Please can I also ask you to remain vigilant to the symptoms, and to get a PCR test if anyone in your family has any symptoms and isolate the whole family whilst waiting for results.

I do understand that you will be worrying about school attendance. We set online work for those genuinely isolating so that work is not missed and a self isolation absence does not effect overall absence figures.

Many thanks for your continued support.

Yours sincerely,

Vanessa Whitcombe
Headteacher

Headteacher: Mrs. Vanessa Whitcombe
